

**CHORUS**

/ A7sus4                    / A7sus4                    / A7                    / A7                    /  
 Because I'm      still   in love with   you   I want to   see you dance

/ A7sus4                    / A7sus4                    / A7                    / A7                    /  
 Again   Because I'm      still   in love with   you                    On this harvest

/ D      D6      / Dmaj7                    / (2X)  
 Moon

**SOLO**

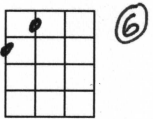

/ G                    / G                    / G                    / G                    /  
 / D      D6      / Dmaj7                    / D      D6      / Dmaj7                    /  
 / G                    / G                    / G                    / G                    /  
 / D      D6      / Dmaj7                    / D      D6      / Dmaj7                    /

**CHORUS**

/ A7sus4                    / A7sus4                    / A7                    / A7                    /  
 Because I'm      still   in love with   you   I want to   see you dance

/ A7sus4                    / A7sus4                    / A7                    / A7                    /  
 Again   Because I'm      still   in love with   you                    On this harvest

/ D      D6      / Dmaj7                    / (4X)  
 Moon
